

Planum Newsletter - Special: 1st Planum Call for Papers

English / German / Spanish / Italian / French

On the occasion of the 11th International Conference on Urban Planning and Regional Development in the Information Society (CORP Wien Feb. 2006, <http://www.corp.at/>), PLANUM (The European Journal of Planning, <http://www.planum.net>) will manage some sessions and launches therefore a call for papers:

Themes of the call are:

- Strengthening dialogue among citizens: a challenge and an opportunity for town planners in the era of information society.
- The Knowledge to make cities competitive
